Message from the CEO

Mostafa Kamal
Chief Executive Officer

Dear Valued Partners,

Welcome to Bangladesh Healthcare Solution.

Healthcare is continuously evolving, driven by innovation, technology, and a shared commitment to improving patient outcomes. At Bangladesh Healthcare Solution, we believe that patients and healthcare professionals in Bangladesh deserve access to globally recognized medical technologies supported by reliable local expertise.

With over 20 years of experience in the healthcare industry, having attached with leading medical device MNC, I have witnessed how strong partnerships, ethical business practices, and continuous innovation can transform healthcare delivery. These experiences inspired the establishment of Bangladesh Healthcare Solution.

Our vision is to become a trusted partner for global medical technology companies by creating sustainable business opportunities while supporting healthcare institutions with quality products, professional service, and long-term commitment.

As we grow, we remain dedicated to integrity, innovation, and excellence in everything we do. We look forward to building lasting partnerships that contribute to the advancement of healthcare in Bangladesh.

Thank you for your trust and confidence.

Message from the Director

Bikash Chandra Roy
Director

Dear Valued Partners,

Thank you for your interest in Bangladesh Healthcare Solution.

With extensive experience in healthcare business development and medical technologies, I understand the importance of building relationships based on trust, professionalism, and consistent performance. Our team works closely with hospitals, clinicians, and business partners to ensure that innovative healthcare solutions reach those who need them most.

We believe that every successful partnership is built on mutual respect, transparency, and a shared commitment to improving patient care. These principles guide our daily work and shape the long-term relationships we strive to build.

We look forward to working together to bring innovative healthcare solutions to Bangladesh and creating sustainable value for our partners and customers.

Bangladesh Healthcare Market

A Growing Market for Advanced Medical Technologies

Bangladesh is one of South Asia's fastest-growing healthcare markets, driven by a population of over 180 million, expanding healthcare infrastructure, increasing healthcare expenditure, and growing demand for advanced medical technologies. Continuous investment in modern hospitals, specialized healthcare facilities, and improved clinical services is creating significant opportunities for innovative medical solutions.

The market is witnessing strong growth in several key segments, including advanced surgical products, minimally invasive surgery, surgical sutures, infection prevention and sterilization (CSSD) and innovative diagnostic technologies. Hospitals are increasingly adopting internationally recognized products that improve patient safety, clinical efficiency, and treatment outcomes.

At the same time, rising awareness of preventive healthcare and the early diagnosis of chronic diseases is driving demand for next-generation diagnostic technologies, creating new opportunities for innovative healthcare providers.

OUR BUSINESS CAPABILITIES

Bangladesh Healthcare Solution (BHS) provides comprehensive healthcare solutions supporting hospitals, surgical centers and healthcare professionals across Bangladesh.

- Surgical Solutions
- Laparoscopic Solutions
- Medical Devices & Equipment
- CSSD & Infection Prevention

SURGICAL SOLUTIONS

High-quality surgical products supporting precision, safety and efficiency.

Product	Application
Surgical Sutures	Wound closure and tissue approximation across surgical specialties.
Ligating Clips	Vessel ligation
Clip Applicators	General surgery
Skin Staplers	Wound closure
Staple Removers	Post-operative care

Portfolio Development Priority: Developing a comprehensive, quality-focused surgical suture through strategic partnerships with internationally established manufacturers.

LAPAROSCOPIC SOLUTIONS

Supporting minimally invasive surgery with precision instruments.

Instrument	Application
Trocars	Access
Graspers	Tissue handling
Scissors	Dissection
Needle Holders	Suturing
Suction & Irrigation	Fluid management

CSSD & INFECTION PREVENTION SOLUTIONS

Effective sterilization is essential to patient safety. BHS offers a comprehensive CSSD portfolio.

Product	Application
Sterilization Pouches & Rolls	Steam & EO
Wraps	Instrument wrapping
Chemical Indicators	Process monitoring
Biological Indicators	Sterility assurance
Bowie-Dick Test	Steam validation

Benefits:

- Reliable monitoring
- Improved infection prevention
- International quality standards

OUR SERVICES

Bangladesh Healthcare Solution provides value-added services beyond product supply.

- Regulatory coordination
- Product marketing
- Clinical support
- Technical training
- Tender support
- After-sales service
- Inventory & distribution

QUALITY COMMITMENT

Quality is central to every partnership and every product we represent.

✔ International quality standards ✔ Ethical business practices

✔ Reliable sourcing ✔ Continuous improvement ✔ Customer satisfaction

OUR GROWTH STRATEGY

BHS aims to become a trusted nationwide healthcare solutions partner.

- Expand product portfolio
- Strengthen hospital partnerships
- Introduce innovative technologies
- Develop nationwide distribution
- Support principal companies with sustainable market growth

Building sustainable partnerships through innovation, quality and trust.

Strategic Priority: Surgical Sutures

BHS is prioritising the development of a comprehensive surgical suture portfolio through partnerships with internationally established manufacturers, focusing on product quality, competitive market positioning, and long-term growth across Bangladesh's major surgical specialties.

PARTNERSHIP OPPORTUNITIES

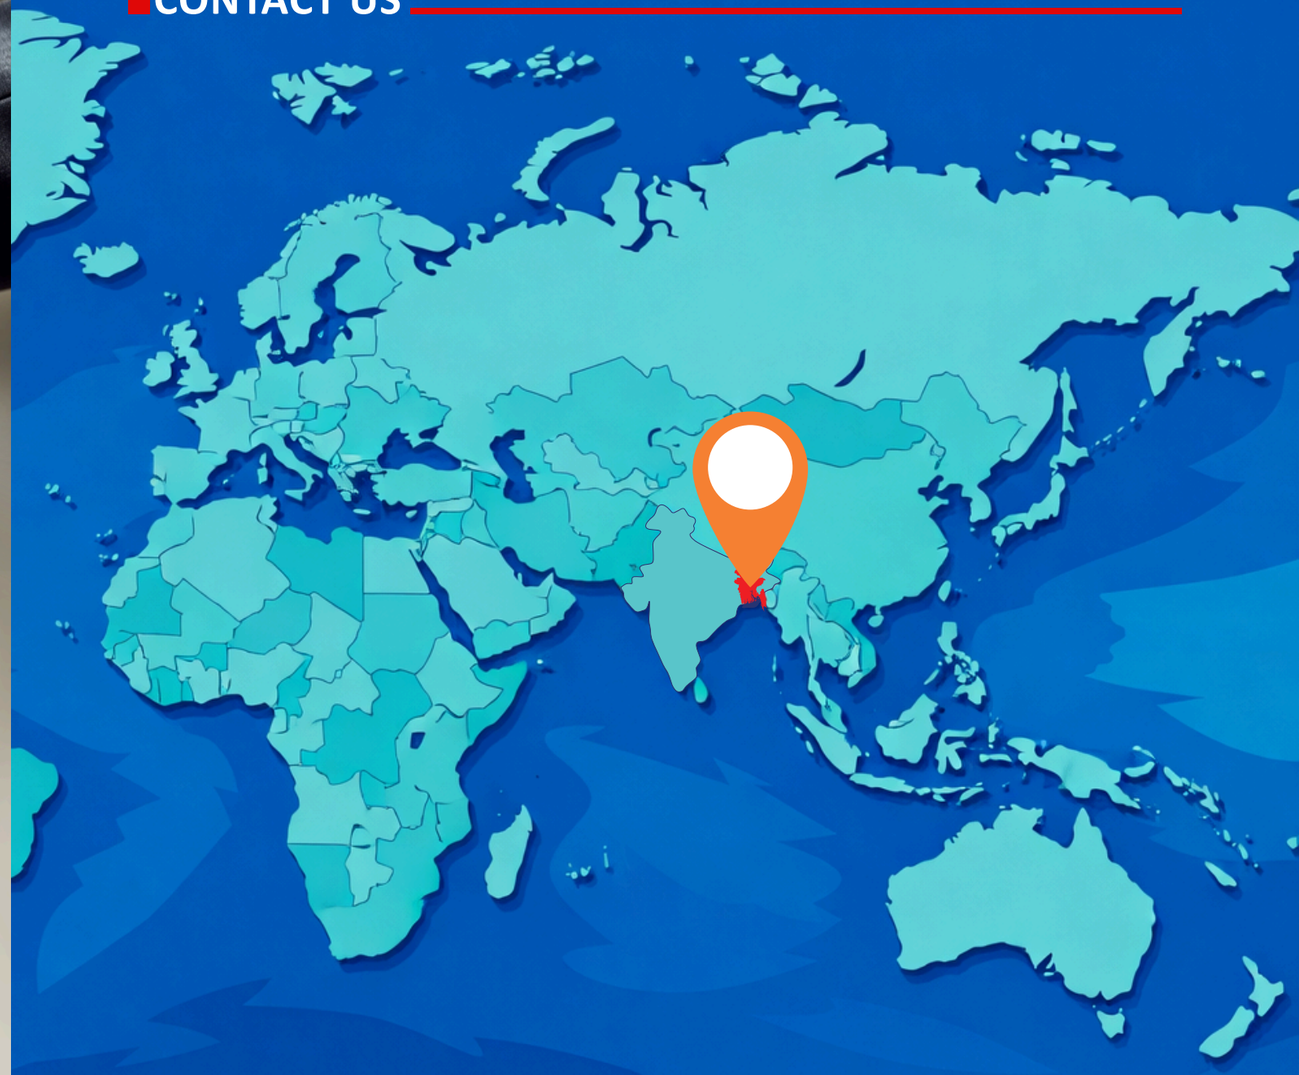

Bangladesh Healthcare Solution welcomes strategic partnerships with global manufacturers seeking sustainable growth in Bangladesh. We provide market access, regulatory coordination, distribution, marketing and after-sales support.

OUR COMMITMENT

We are committed to integrity, quality, innovation and long-term collaboration. Our objective is to become a trusted partner for hospitals and international medical device manufacturers.

- Customer-focused service
- Ethical business practice
- Professional technical support
- Reliable nationwide distribution
- Long-term partnerships
